The Moosehead Upholstery Collection.

Moosehead Manufacturing Company, Monson and Dover-Foxcroft, Maine

The Moosehead Manufacturing Company was founded in 1948 at Monson, Maine. In its 23 years of operation, Moosehead has become famous for its excellent design and craftsmanship of Early American furniture.

Today, we are proud to have two plants, located in Monson and Dover-Foxcroft, Maine, where more than 200 men and women are engaged in the manufacture of Moosehead furniture...fine furniture crafted in the Early American tradition.

Moosehead Upholstered furniture captures the essence of Early America. Each piece in our collection reflects the simplicity of design and the solid, sturdy construction our forefathers handcrafted with pride. Inspired by the tradition of Colonial America, Moosehead Upholstered furniture is created with an eye for the needs of modern living and with a feeling for the spirit of our nation's earliest days. With each and every piece of Moosehead Upholstered furniture you select, be assured that you are about to "Bring a little history on home."

The entire Collection is available in a myriad of fabrics, colors, and textures that will complement any decor are available through your local authorized dealer.

Below are some of the characteristics that make the Moosehead Upholstered Collection distinctive:

CONSTRUCTION.

Only the choicest northern hardwoods are employed in the frame construction of the Moosehead Upholstered Collection. The hardwood frames of every piece of furniture are kiln dried and double dowelled in order to insure maximum strength and durability.

When you relax in your selection from the Moosehead Upholstered Collection, you will experience the ultimate in living comfort. Every piece of Moosehead Upholstered furniture has a 24 inch suspension coil deck and soft rolled front edge.

All seat cushions in the Moosehead Upholstered Collection are made of Duo-Tex Foam (latex foam) rubber and all feature reversible zippered covers.

The arms of each piece of Moosehead Upholstered furniture are foam padded and matching arm caps are provided with every selection.

To insure protection and longevity to the upholstery of your selection, all fabric materials are treated with either Scotchguard or Zepel (except the olefin fibre material which cannot be so treated).

FEATURES.

Every piece of furniture from the Moosehead Upholstered Collection exemplifies the utmost in quality and craftsmanship. In reading this guide to home furnishings, you will often note features and attractions which set this collection apart from all the rest.

In our Somerset Group, you will find the #1480 Convertible Sofa and discover that it comes complete with innerspring mattress and has foam padding between the seat cushions and the fold-out mechanism in order to provide for your greater comfort.

In the luxurious selections from our York Group, every piece of furniture in the #1600 series features loose-back, reversible foam cushions.

In the entire Moosehead Upholstered Collection you'll find many features and attractions designed to give you many years of pleasure and unexcelled comfort.
